

## HEAVY FABRICATION WORKS:

We also do heavy Fabrication works with Materials & also as labor work.

Leveraging the huge experience in this domain, we are dedicated in providing qualitative Fabrication Work to our prestigious clients. These works are provided in strict compliance with industrial quality standards using raw materials of the best quality.

These quality-compliant services adhere to industry-specified guidelines. These fabrication works are known for their excellent pricing. We offer a variety of fabrication works at economical market prices.

## MACHINERY DETAILS.:

SR.NO.	NAME	NUMBER
1	Sheet Roll Forming Machine (JUPITER) 3 TYPES PROFILE AVAILABLE	1 Set
2	Hydraulic Shearing Machine (NEHAL)	2 Set
3	Hydraulic Bending Machine (NEHAL)	1 Set
4	Compressor 7 HP	3 Nos.
5	SAWG (Sigma Weld – SW1000CV)(12 Mtr Long)	1 Nos.
6	Oxy-Fuel & Plasma Cutting Machine 12000MM X 3000MM (Hypertherm125) Plasma : 30mm Capacity Oxy-Fuel : 150mm Capacity	1 Set
7	MIG Welding Machines Sigma Weld – SW600	11 Set
8	PUG Cutting Machine	4 Set
9	Pneumatic Tools	10 Nos.
10	Mechanical Press	5 Nos.
11	Lathe Machine	2 Nos.
12	Drilling Machine	4 Nos.
13	ARC Welding Machines Sigma Weld – SW400	3 Set
14	BDS Electric Magnetic Drill Machine	1 Nos
15	BDS Bevel Machine Capacity 20mm	1 Nos
16	Z & C Cold Forming Machine (Jupiter Make)	1 Set
